RETURN POLICY:

Our socks work for most horses. Check out our FAQ page for more information. Give them a fair chance to prove it. Some horses take a few days to a week to forget they are there. As with any leg wear, the socks should be at least checked for adjustments in the morning and evenings. We suggest you view the video on our homepage on how to put them on and take them off. This will help make your first experience with them a breeze. **Only custom made socks can fit the large draft or draft cross horses. Call us first if you are in doubt about fit to make sure the socks will fit your horse.**

Don't put on all four socks until you know they will work out for your horse. We will only refund used socks at 30% of your purchase price. The new-unused returned socks will be refunded at 100% of your purchase price. You must return the socks for replacement, or refund within 30 days of your purchase and your return must include a copy of the packing slip. Initial cost of shipping is not eligible for refund nor return shipping. If you wish to ask for a refund, please call us first for a return processing number. **No returns accepted on single purchase socks.**

Damaged/Defective Items:

We stand behind our products! If you receive an item that is defective, you **MUST** contact us with the specific issue within 48 Hours of receipt so that we may exchange the item for its exact replacement. No Exceptions! Items damaged in transit must be reported within 48 hours of receipt. Your assistance will be required during the claim process.

Exchanges can be made with an additional payment for shipping and handling. Please call us to make those arrangements. Items that have been previously replaced because of a sizing exchange are not refundable. If you have any questions about refund or exchanges, please call us at 850-907-5724.

We recommend that you return socks to us inexpensively using parcel post USPS with "Delivery Confirmation". You must get the socks to us for a refund. See "FAQ" for more information about what you may experience in the first few days of your horse wearing our socks.
